

Minnamurra Lions Club are Hosting a Cuppa Tea for Dementia. So come along and support this worthwhile cause.

Help support people with Dementia

**Make an impact
through your
cuppa time**

Hi On Thursday October 22nd Minnamurra Lions will be hosting a Cuppa Time for Dementia. Every dollar we raise can help Dementia Australia provide services, support and research for Australians living with dementia, their families and carers.

A Cuppa Time for Dementia can make a real impact for people who are coping with and suffering with Dementia

The support available through Dementia Australia has been incredibly important to people affected by Dementia, especially as they navigated the challenges of navigating the aged care system, accessing respite, and the lack of dementia services in regional areas.

So come along to Kiama Downs Surf Lifesaving Club between 10:30 and 12:30 on Thursday the 22nd of October and have a cup of tea, coffee and perhaps bring along a plate to share.

All donations are welcome and every dollar we raise will help Dementia Australia provide services, support and research for people affected by Dementias
